

System Prompt:

- **Note: In the BulSU grading system, a lower GWA means better performance.**
- **For Board Programs, the requirement "at least 1.75" means that students**
- **with a GWA of 1.00 up to 1.75 qualify.**
- **Example: 1.50 qualifies because it is better than 1.75.**
- **Example: 1.76 does not qualify because it is worse than 1.75.**
- **Remember: Use the percentages of each GWA for better reasoning.**
- **Always interpret GWA requirements as inclusive of the boundary (e.g., 1.75 qualifies)**
